

Minutes
Board of Selectmen Special Meeting
Tuesday, June 8, 2010

Present: Gerald D. Stomski, First Selectman
Barbara K. Perkinson, Selectman

Also present: Sharon Sherman

Selectman Stomski called the Special Meeting to order at 11:30 a.m. in the Selectmen's Office.

The purpose of this meeting was to reschedule the Town Meeting on the 2010-2011 Proposed Budget. The reason for this change is that the legal notice was not published by the newspaper at the proper time. The notice was given to the newspaper to be published on June 4, 2010, but did not appear in the paper until June 7, 2010.

MOTION: Selectman Stomski moved and Selectwoman Perkinson seconded to reschedule the Town Meeting on the proposed 2010-11 Town Budget to June 21 at 8:00 p.m. in the Old Town Hall. *UNANIMOUSLY APPROVED*

The Town Meeting will adjourn to go to Referendum, the date of which will be scheduled at the Board of Selectmen meeting on June 10. The reason for waiting until the Board of Selectmen meeting to set the referendum date is because the Board of Finance meets on June 9, 2010 and should there be any proposed changes they would have to be discussed at the Board of Selectmen meeting.

There being no further business, the meeting was adjourned at 11:37 a.m.

FILED SUBJECT TO BOARD APPROVAL

Respectfully submitted,

Barbara Perkinson
Acting Clerk
